The previous year's AGM minutes will be emailed to you prior to the meeting (mailed to those of you without email). Further details will be included in the September Rock Talk.

UPCOMING MEAFORD CURLING CLUB 135TH ANNIVERSARY REUNION

Our club is celebrating its 135th anniversary this year! To mark the occasion, we are planning a Dinner & Dance with the tentative date of Saturday, September 10th.

We have gone from a wooden structure and natural ice located where the club is now, to our current fine facility which is second to none. We can all be proud of this facility. Considering it is almost 25 years old is still in excellent shape and serves the community of Meaford and area very well.

We will need some help of course to make this 135th anniversary celebration a memorable event for all, so if you can help out in any way, please contact Dave Pelling at dspell190@sympatico.ca or call 519-538-2554. At this time, the help required most, is gathering the addresses of former members so they can be contacted. If you have old pictures of members or events that we can use for a display for that evening, they would be appreciated (make sure your name is on the back so they can be returned).

Further information will be emailed/mailed out during the summer.
